## Football Stars...

Congrats to alumnus, Hroniss Grasu who graduated from St. Nicholas School with the Class of 2006. He is now part of the Oregon Ducks football team's offensive unit that ranked third in the nation in scoring. Hroniss Grasu played only three years of football at Crespi High School before going to Oregon. After a full season as the Ducks' starting center in the middle of the offensive line, Hroniss has taken on a whole new status in fall camp as a leader of the offensive line.

His older brother, Nico Grasu, Class of 2003, earned a varsity letter after appearing in all 12 of WSU's games as a starter. He connected on four of six field goals and made both of his field goal attempts of 50-plus yards. His career long field goal was 56 yards against Oklahoma State. We are very proud of both of our past students. Keep up the good work!
