## Earthquake Information 2020-2021

Parents are charged a nominal fee each year to purchase earthquake supplies for their child. These supplies are adequate for three days for each child. Emergency earthquake supplies for the students and staff are stored in a centrally located unit away from the school buildings. They include first aid equipment, food, water, and sanitary supplies. Included too, will be an emergency card and comfort letter for each child. The policy of Saint Nicholas School is that in the event of an emergency, children will be kept at school until a designated individual picks them up. We hope that we will never have the need to use these supplies, but we can all rest a little easier knowing that we have done what we can for the care, protection and safety of our children.

A short reassuring note of love to your child from you! If your child has a nickname that you use, a favorite poem or saying, family photo, or scripture, please indicate that in the note. Notes from home will reassure children that they are loved, that parents are thinking of them at this difficult time, and that someone else they know will arrive as soon as possible to pick them up. Remind your children that they can help out by keeping their faith, being obedient to those in charge and showing their best manners. Please put the letter in a SMALL Ziploc bag. Please write your child's full name in large print on the back of the letter and fold it so that the name can be read through the outer bag.
